

# Authorisation form Sub-meter installation

Sub-meters enable water charges to be billed directly to a unit owner (or tenant) based on their actual usage. Refer to the current <u>Residential Tenancies Act 1997</u> for more information.

# Do you need to complete this form?

Authorisation is **not** required when a multi-unit property is owned by a single person or entity.

However, when individual unit owners wish to install sub-metering, they will need to obtain authorisation from **one** of the following:

- the secretary of the owners corporation, where a majority decision has been reached
- all property or unit owners.

The unit owner(s) or the secretary of the owners corporation is responsible for completing this authorisation form and providing it to the plumber. Only a licensed plumber can apply for sub-meters.
